## Introduction :

TOTO has always wanted to improve the quality of life for all, rich in innovations and it has been looking for almost a century. TOTO has changed the perception of what a bathroom can look like and how to use it.

Founder of TOTO Kazuzhika Omura - had this vision more than 100 years ago (1912) even before the concept of public sewerage networks spread in Japan and TOTO devoted its efforts to providing innovative good products and services to improve hygiene comfort in residential public areas Since its establishment, TOTO has been committed to providing a comfortable living space for the community while protecting the planet and its water.

TOTO puts innovation at the forefront of its priorities, helping to provide solutions that are economical in terms of value, quality which's environmentally friendly. This technology is shown in all its products to help save energy and water in its facilities to provide safe and healthy toilets. TOTO products are equipped with some advanced technological specifications are fully compatible with Omran's values to enhance sustainability and activate environmental responsibility in all the markets in which we operate.

This development has made TOTO the world leader in terms of the number of users of its products as its products have been installed in more than 80 international airports, which are among the most crowded airports in the world such as (Hong Kong Airport / Dubai Airport / Tokyo Airport / Most of the airports of America / Canada / China and most of the East Asian countries) and other countries in most parts of the world , Its products have also entered the international hotel chain (Four Seasons, Sheraton, Hilton, Hyatt Regency, InterContinental, Jumeirah, Ritz Carton, Marriott and others). These products have also been installed in markets, shopping malls and busy malls, as well as in many public places around the world. The company TOTO is interested in producing the special tools and accessories needed by children, people with special needs and the elderly, which are suitable for the requirements of hospitals, health resorts, therapeutic and public places.

Vision of (Abdulrahman & Abdul Karim Al Omran Trading Group) is to provide all sanitary and plumbing products of high quality in line with the latest developments of various brands from several leading countries in the field of sanitary ware such as Italy, Germany, China, Britain, America, Japan, Korea .. and other countries, Which is complementary to what we do in the field of manufacturing, where we have one of the largest industrial complexes located in the Kingdom and in the Middle East where we manufacture porcelain and ceramics tiles in different sizes of walls, floors and belts that suit all tastes, and we produce various types of plastic pipes and plexiglass ( PPR-PVC-CPVC), We also manufacture electric water heaters in all sizes and types. In addition to this, the group was crowned by the agency of "TOTO". All of this reflects our commitment to our customers, in which we constantly strive to provide our customers with the best technology and innovations in sanitary ware. To rationalize consumption and preserve environmental resources and energy.
